

COLTON REDLANDS YUCAIPA REGIONAL OCCUPATIONAL PROGRAM

Inspiring Possibilities

New!

Advanced Manufacturing I

Manufacture Your FUTURE

Start “building” your future...

Today’s manufacturers are seeking smart, hands-on learners who are interested in:

- ⇒ Tinkering
- ⇒ Building
- ⇒ Creating things

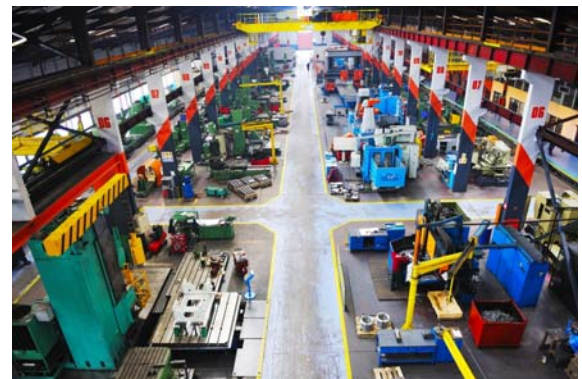

and who excel in math, science, and technology.

Do you like building things? Did you used to get in trouble for taking things apart just to see how they work? Join **Advanced Manufacturing 1** to start exploring a variety of career options with endless opportunity and high wages.

Gain hands-on experience by taking projects from start-to-finish while using modern technology and industry-standard equipment.

Course length: One year

See your Counselor to sign up for this exciting new class!
