

COLTON REDLANDS YUCAIPA REGIONAL OCCUPATIONAL PROGRAM

Inspiring Possibilities

Medical Terminology

⇒ Students will learn medical terminology in relation to various body systems and medical procedures.

⇒ Learn about:

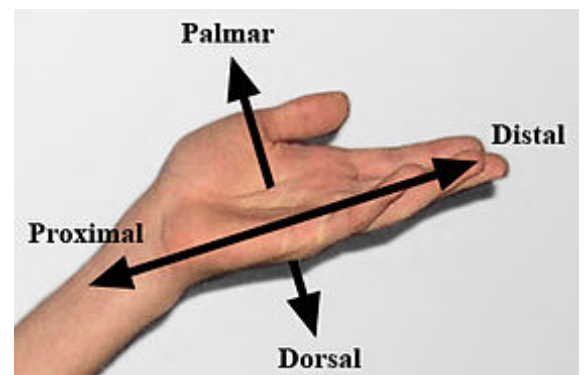

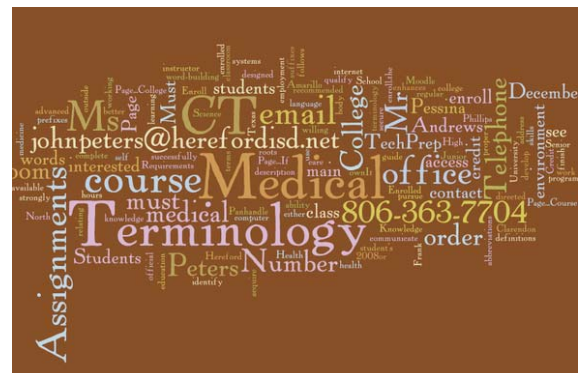

- Proper use of roots, prefixes, and suffixes
- Identifying medical terms related to common diseases, disorders, and conditions
- Analyze, define, spell, and pronounce medical terms

⇒ This course is part of the H.E.A.R.T. Academy program at RHS, applications accepted end of Freshman year.

⇒ Work as a team with fellow classmates who are enrolled in academic classes together during your Sophomore and Junior years.

⇒ Earn college credit!!! This course is articulated with local community colleges.

⇒ **Prepare for a Healthcare Career!**
