

COLTON REDLANDS YUCAIPA REGIONAL OCCUPATIONAL PROGRAM

Inspiring Possibilities

Medical Services Occupations

⇒ Prepare for entry-level employment in the hospital setting. Emphasis is placed on those skills required of a health care worker in various departments in a hospital or health care facility. This course is designed for students who are interested in Health Careers.

⇒ Learn about:

- CPR and First Aid
- The basic structure and function of the human body
- Patient care in a variety of health care settings

⇒ This course is part of the H.E.A.R.T. Academy program at RHS, applications accepted end of Freshman year.

⇒ Work as a team with fellow classmates who are enrolled in academic classes together during your Sophomore and Junior years. Applications are accepted end of Freshman year.

⇒ Internships in a medical setting are available to students who successfully meet the standards.

⇒ **Start a Career in the Medical Field!!!**
