

# Virtual Enterprise

⇒ Virtual Enterprise is designed to teach students how to set up and operate a simulated business in preparation for working in a real business environment.

⇒ Learn how to:

- Understand business operations including economic principles, communication, computation and employability skills.
- Provide appropriate customer service and human relations while demonstrating positive work habits

⇒ Use your knowledge and skills while operating the RHS Student Store.

⇒ Worksite learning opportunities are available to eligible students.

⇒ This course is part of the RHS ReBUS Academy.

⇒ This course has been UC a-g approved.

⇒ **Join the team!!! Travel and attend tradeshow, competitions and events throughout the year!**
